

## Sasol/WTI – technical forecast and comparison

Sasol

-Resistance seen at 55 and 89 Day MA's.

- Close below channel, R364.00 becomes a target

- Volume traded when chart reached R490 on 28/04/2015 is less than the volume spike on 30/06/2015 which took the chart to R450, this may show an exhaustion move.

- RSI: chart is not near the oversold level.
